

Run 2202, Monday 7th September, 2009

Location: Forestville Scout Hall, Forestville

Hares: Smiley & Flying Virgin & Your Hard Working Hash Committee

“ It’s not about the run...”

Scud must have a direct link to the Man above. Despite a wild southerly change & heavy rain prior to the start, our record of a Hash year without one wet run stayed gloriously in-tact.

Payling & Nautilus headed out early to re-mark the trails, thus ensuring that the Hounds could make sense of the rain soaked track. A large pack including, **e-Shit, Goon Show, Druid, Le Merde Petit, Cinders, Tartan Bed, Flying Scotsman & Jock The Sock**, just shuffled around the Cashell Cres. Check, while **Changi, Sheep Dip, & Witches Tit** dutifully checked it out. With the distant call of ‘On On’, the ever growing pack, headed down the stairs into Kinsdale. **Druid, Kitty Litter & Hoarse Whisperer** forged past the slower, **Irish, Pompadours Paramour, Mr Neat & Jack The Ripper**. It was evident that the trail markings had survived the rain reasonably well although the Hares had really rationed the flour in places where plenty was needed.

Pee Dub was pumping guest **Honest Mike** for information about life in NZ but for some strange reason, he (**Honest Mike**) was very guarded about his ‘profession’. Could **Honest Mike** be into something not-so-Honest? Meanwhile, front runners **Super Glue, Yakkity, Tic Toc, Plunger, Duckweave & Salt Peter** had caught up to Nautilus (re-marking the trail) but refused to take his well intended advice & went “off trail” back up Killarny, only to catch up with **Khyber, Polish, BTG, King Arthur, Jack The Ripper & Bunny Trapper**. The trail went a bit fuzzy at this point until **Philthy, Mash, Dr Jeckle, San Francisco & Tiny Brain** latched on to the point where runners & walkers trail re-united & met up with some of the runners who had followed on up Starkey (thank you Nautilus). **Tooth Fairy, Grape, Furkhand, Maximus Minimus, Moishe, & Music Man** found their way through the school & sensed that it was a long, but manageable haul Home from here. Still on trail, **Hanoi Bill, Copra, Chastity, Wrappa, Swampy & General De Gaulle** were some-way back, musing over **Scud** chatting to our “other” guest, **Bogdan Ripyacorsettoff**, who had just blown in from the Moscow Hash.

Colonel Sanders led a small group with **Le Merde Blanc, Baron Von Drutt, Darwin Don, Centrepont, Major Tom, Tyre Fruck, Pheasant Plucker, God Knows, XXXX & Larry Adler** through the War Memorial Park & on Home to a huge bucket, prepared by **WC & Smiley & Flying Virgin**, who were going to avoid the ire of the TM at any cost, for being short of ‘bucket’.

Calici, just dreamily floated around the streets in his own little reverie as the drooled at the thought of soon taking over command of his own personal little coterie of just 100 Hashmen...it was just all too orgasmic for him ...hmmm we shall see!

Pilko Plodded, **Lost One** Lingered, **Grape** Galloped, **Wombat** Waddled, **Farmer Jones** Jostled, **LCL** Loped, **Crème Puff**...well puffed, **Frenchie** Frolicked, **Robbo** Ran, **Jungle** just Jumped, **Spud** Sped, **Veggie** Walked (de blir Norske for “walk”)...whatever their style, all the Hounds were back within the hour after a great AGM style run, all saved by **Payling, Nautilus & some extra chalk**.

Back at the hall, **Smackers** was settled by the big log fire, entertaining old mates & trying to deplete the Hash red wine surplus. **Fox Face** didn’t run but looked dapper in his civvies, while **Nomadic Notary** turned up just late enough to avoid election to the new committee.

If I have missed anyone in this report (sadly my last) I apologise and **Music Man** can make amends as he leads us into another great year of Hash Running.

On On, you bastards, On On Forever

Illucifer TM to the Gentry

Thank you Illucifer for all your witty and sometimes even funny commentary. It has made producing this weekly missive vastly easier for On Sec . . PayLing.

At the AGM On On

Your new committee was announced.

PRESIDENT Calicivirus
JOINT MASTERS French Connection, Goanna, Flying Scotsman, Son of Gun
 & at his own insistence, Jock the Sock, on the reserve bench
HASH CASH Superglue
TRAIL MASTER Music Man
ON SEC Le Merde Blanc

Your outgoing committee expresses disappointment at the difficulty encountered filling some (but not all) positions on the incoming committee. Obviously some members have very good reasons for not being able to serve on committee and that is absolutely OK, but all members should be asking

not “What can Hash do for me?” “

but “**What can I do for Hash?**”

with apologies to Sen Kennedy

so **Who’s Due?**
