

Posh News 2210 – 2nd November 2009

KFC, XXXX and Tiny Gallop to the finish

The Run

At a location the saw Hashmen from Mosam, the Larrikins, and even a few Harriettes out and about it promised to be a good evening. The weather was mild and Colonel Saunders and XXXX encouraged Klangers, Poly and Hill of Grace to watch out for the "cones" along the route (drugs?). The pack swelled 65 and Benny led the runners off toward Tambourine bay.

The Walkers snuck behind the tennis courts as Khyber, Boxkite and Sheep Dip headed for a bit of bush. As the runners emerged from the bush with Super heading the wrong way, Little Shit found the trail and On On. Through a sneaky bit of bush off Notts Lane and Penile Dementia led the way to River Road. After yours truly chatting to Smiley went the wrong way on a falsie it was back under River Rd in the pipe with Bruce the Goose dipping a toe in the Sewer. Ever up for the challenge Wanker and Virginis followed Klangers and FND up the runners trail looping round before returning to the golf course.

Entering the course Goonshow found his cone and the Flying Virgin found the path home. Back at the park outside the Diddy a fantastic bucket was enjoyed.

On On

Unfortunately although a delicious curry had been cooked and a fun Calcutta followed many of the Posh left before the On On. Fifty of us did stay for the Calcutta and the Ice Cream dessert. As Last Card was out of town XXXX and Philthy were left to scrabble for the horses with a good spread amongst the punters. The pot was somewhat reduced this year but still an excellent night. I only hope that next year we can encourage all those who went home early to stay for dinner – On On WS
