

YOUR CHOICE OF THIRTEEN RIVER CROSSINGS WITH YAKKITY

A perfect Monday night ,no wind clear sky and a great scenic meandering river run in Baulkham Hills. Great virgin territory set by a virgin Hare **YOUR CHOICE and YAKKITY YAK.**

Running from the Ted Horwood Reserve, the pack led by scouts **CAREFREE and SWAMPY**, who were tempted to swim the distance, found their way down to the beautiful Darling Mill River. **CINDERS and SUPERGLUE** managed to negotiate the first of many river crossings and followed the rugged path along the wild river.

Several false trails were taken but adventurers **LIGHTNING, PAY_LING and TOOTH FAIRY** were not fooled and continued along the river bank. **COPRA, HANOI BILL and POLLY** cleverly all found their way up the walkers trail and met **DARWIN DON** bursting with excitement and risque tales of lurid wenches and sexual encounters at the HASH RELAY at Port Stephens on the week end.

SCUD and PEE DUB, who thought they were already on their four wheel drive week end,.... managed to find a large check back but soon came back onto the main trail.

The walk out involved a very, very steep and dangerous climb and **GOANNA**, who was quite tentative was finally aided by **CHAIINGI** to make the ascent. **GOONSHOW**, being the only one to complain, is now not only a Theatre critic but also a full time Monday night run Critic.

VIRGINUS ILLEGITIMUS and JACK the RIPPER managed to make it home, just as darkness was approaching to the bucket and to a great feast.

Dinner was an IRISH affair (without Irish) with tender Roast Lamb and fresh Salads. Plenty of Chicken Legs for **FURKHAND**, followed by large platters of fresh fruit served by the committee led by **FLYING SCOTSMAN**, from the surrounding country gardens.

Entertainment came from those men from DUBLIN
KITTY PADDY LITTER.....JUNGLE SEAMUS JIM.....TIC CASSIDY TOC and a welcome visit from **LORD O,REILLY LEXUS**Prizes were awarded and new member Ian who now has the distinguished name of **YOUR CHOICE** along with **YAKKITY** excelled themselves on a wonderful evening and a virgin run.....
